## SEBA 1st Tuesday: Pitch Clinic with Charles Seybold

Tuesday, January 3rd, 2017  
5:30-7:00 PM, HUB 337

Free pizza and drinks!

---

Charles Seybold will present on how to give an effective pitch.

Charles Seybold is a co-founder of Liquid Planner, a company that develops software for project management. He began his career as software engineer, then moved on to become program managers at both Expedia and Microsoft before founding his own company.

Charles Seybold's talk will be followed by a session during which students can practice their pitches for the Science and Technology Showcase.
